Morning Sis

Do you know who at TXDOT approves these requests? This is for a site that I am working on near Ingleside.

Thanks

BWM

Brian:

As part of the TXDOT process, we need to show that we have EPA consent to perform the proposed work in the TXDOT ROW. We have prepared a short consent statement for that will be included in the TXDOT package. Please review the attached statement and make any revisions that you need. Sign and return the form to me so we can submit the package to TXDOT. The TXDOT ROW review process requires 30 days so we are trying to get the package submitted to them as soon as possible. Let me know if you have any questions.

Thank you,  
Bob Owens
